Lifting Suspension CE-358

Dear Ms Vachhani,

On 27 November 2025 the Certification Board of NMI Certin sent you a letter that your module D certificate with number CE-358 was suspended for a period of 6 months until 27 March 2026.

On 20 February 2026 the Certification Board of NMI Certin received an email from Mr. Meijer, lead assessor that the suspension can be lifted and the renewal of your module D certificate can be issued.

Due to the abovementioned reason the Certification Board of NMI Certin B.V. has decided to lift the suspension of your module D certificate as per **23 February 2026**.

Please be aware that you are again allowed to place instruments on the market with CE[M26]0122 (in 2026) metrology markings in the EU market.

According to Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

If you have any questions, please don't hesitate to contact us.

With kind regards,  
NMI Certin B.V.
