Subject
Cancellation of CE-139

Dear Mr. Manzoni,

In April 2010 Sacofgas 1927 S.p.A. later known as Meter Italia S.r.L. and Sagemcom Italia S.p.A. applied to NMI for approval of its quality system for conformity assessment of diaphragm gas meters and later of Electronic Volume Conversion Devices according conformity assessment procedure D of the Directive 2014/EU/32 former known as 2004/22/EC. An initial assessment was performed on 22 June 2010 at the premises of Sacofgas 1927 S.p.A. to verify compliance of the quality system with the criteria of the directive. On basis of this assessment, NMI Certin B.V. approved the quality system with Certification CE-139 on 12 July 2010.

On 16 May 2019, you have sent us a letter in which you state that you won't renew your Module D certificate on 12 July 2019 and therefore you would like to withdraw the CE-139 certificate.

In reply to the abovementioned, the **board decided to cancel the certification CE-139 of Sagemcom Italia S.p.A.** According Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for Sagemcom Italia S.p.A. to place instruments on the market with reference 0122 to the CE marking after 12 July 2019.

If you have any questions, please don't hesitate to contact me.

With kind regards,
NMI Certin B.V.
