Subject
Cancellation of CE-155

Dear Mr. Saci,

In the first quarter of 2011 TEKSAN Sayaç Teknolojileri Sanayi ve Ticaret A.Ş., Turkey applied to NMI for approval of its quality system for conformity assessment of measurement systems for water meters and thermal energy meters (MI-001) according to conformity assessment procedure module D of the Directive 2014/32/EU (formally known as 2004/22/EC).

An initial assessment was performed on 3 May 2011 on the premises of TEKSAN Sayaç Teknolojileri Sanayi ve Ticaret A.Ş., to verify compliance of the quality system with the criteria of the directive. On basis of this assessment, NMI approved the quality system with Certification CE-155 on 10 May 2011

On 9 June 2022 you send us an email in which you informed us that you have decided to get your module D certification from a Turkish Notified Body and therefore you requested for the process of immediate withdraw of certificate CE-155.

In reply to the abovementioned, the **board decided to cancel the module D certification CE-155** of TEKSAN Sayaç Teknolojileri Sanayi ve Ticaret A.Ş. According to Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for TEKSAN Sayaç Teknolojileri Sanayi ve Ticaret A.Ş. to place instruments on the market with reference 0122 to the CE marking after 9 August 2022.

If you have any questions, please do not hesitate to contact me.

With kind regards,
NMI Certin B.V.
