Subject
Cancellation of CE-253

Dear Mr. Petrucciano,

In May 2016 Omega Balance S.r.L. applied to NMI for approval of its quality system for conformity assessment of non-automatic weighing instruments according conformity assessment procedure D of the Directive 2014/EU/31. An initial assessment was performed on 19 May 2016 at the premises of Omega Balance S.r.L. to verify compliance of the quality system with the criteria of the directive. On basis of this assessment, NMI Certin B.V. approved the quality system with Certification CE-253 on 5 July 2016.

On 27 May 2019, you have sent us a letter in which you state that you won't renew your Module D certificate on 5 July 2019 and therefore you would like to withdraw the CE-253 certificate.

In reply to the abovementioned, the **board decided to cancel the certification CE-253 of Omega Balance S.r.L.** According Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for Omega Balance S.r.L.. to place instruments on the market with reference 0122 to the CE marking after 5 July 2019.

If you have any questions, please don't hesitate to contact me.

With kind regards,
NMI Certin B.V.
