Subject
Cancellation of CE-113

Dear Mr. Sapio,

In May 2008 Dresser Italia S.r.L., later known as Talamona S.r.L., applied to NMI for approval of its quality system for conformity assessment of gas meters according conformity assessment procedure D of the Directive 2014/EU/32 former known as 90/38/EEC and 93/68/EEC. An initial assessment was performed on 4 September 2008 at the premises of Dresser Italia S.r.L. to verify compliance of the quality system with the criteria of the directive. On basis of this assessment, NMI Certin B.V. approved the quality system with Certification CE-113 on 11 December 2008.

On 11 October 2018, you have sent us a letter in which you state that Talamona S.r.L. (former Dresser Italia) doesn't have property of any EU-Type Examination Certificates issued by NMI Certin and was sold to Pietro Fiorentini. Due to this fact, the CE-MID certification has been "emptied" and therefore you would like to withdraw the CE-113 certificate.

In reply to the abovementioned, the **board decided to cancel the certification CE-113 of Talamona S.r.L.** According Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for Talamono S.r.L. to place instruments on the market with reference 0122 to the CE marking after 7 November 2018.

If you have any questions, please don't hesitate to contact me.

With kind regards,
NMI Certin B.V.

C. Oosterman
Head Certification Board
