Subject
Cancellation CE-320

Dear Mr Norris,

On 13 October 2025 we received an email in which you mentioned that, as a result of no longer producing meters at the Itechene factory, you have decided to cancel your module D certificate with number CE-320.

Due to the abovementioned reason the Certification Board of NMI Certin B.V. has decided to withdraw your module D certificate as of **13 June 2026**.

According to Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for EDM Europe Limited, United Kingdom to place instruments on the market with reference 0122 to the CE-marking after **13 June 2026**.

Also you are not allowed to use our quality marks for commercial and/or promotional purposes after the abovementioned date.

In case you wish to proceed with an audit in 2026 or 2027, the audit process can be reinstated with an initial audit. Please be aware that the cancellation cannot be undone and that you then will receive a new certificate number.

If you have any questions, please do not hesitate to contact us.

With kind regards,
NMI Certin B.V.

Head Certification Board
