Subject
Withdrawal of CE-371

Dear Mr. Milling,

In December 2021 Marco Ltd. applied to NMI Certin B.V. ("NMI") for approval of its quality system for conformity assessment of measurement systems for non-automatic weighing instruments according to conformity assessment procedure module D, Article 13 of directive 2014/31/EU.

An assessment was performed based on paperwork due to the transfer from NMO to NMI, to verify compliance of the quality system with the criteria of the regulations. Based on this assessment, NMI approved the quality system. Certificate CE-371 was subsequently issued on 29 April 2022.

On 2 February 2024 we received an email in which you informed us that you have decided not to continue with NMI as your Notified Body for module D certification services as from 27 May 2024.

In response to the abovementioned, the Certification Board decided to cancel the module D certification with number CE-371 Marco Ltd, United Kingdom. According to Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for Marco Ltd. to place instruments on the market with reference 0122 to the CE marking after 27 May 2024.

If you have any questions, please do not hesitate to contact us.

With kind regards,

M.Ph.D. Schmidt
